

The **N<sup>2</sup> Women (Networking Networking Women) "Making Connections"** breakfast is an informal gathering intended to foster a sense of community by providing an opportunity for those interested in women's issues to meet, network, and share stories/advice. The theme of this breakfast is "Making Connections". Especially important will be the connections made between students and researchers, which will promote the benefits of a research career. The breakfast will be served in the magnificent Franciabigio room at the "Convitto della Calza" decorated with beautiful XIV century frescoes.

This breakfast is free and open to all who are interested in issues pertaining to women in the field of networking. **If you would like to attend, please return this form at the conference desk when you register.** For more information about this event, please do not hesitate to contact [N2Women-Info@acm.org](mailto:N2Women-Info@acm.org).
