

MobiHoc 2011 Call for Posters

The 12th ACM International Symposium on Mobile Ad Hoc Networking and Computing May 17-19, 2011, Paris, France

<http://www.sigmobile.org/mobihoc/2011/> Sponsored by ACM SIGMOBILE

Important Dates:

- Poster Submission Deadline March 27, 2011
- Acceptance Notifications April 3, 2011
- Camera ready paper April 8 2011

Call for Posters

Posters presenting early work and preliminary results are solicited. The poster session will provide an excellent opportunity for initial feedback on early research results as lively discussions. Posters are solicited in all areas of mobile ad hoc networking and computing.

This year's symposium will assign a Best Poster Award among all the posters accepted to the conference. The evaluation will include both the poster and presentation of the material.

Submission Instructions

Poster descriptions of no more than 2 pages (US letter size 8.5 x 11 inches) using font size 10 should be submitted to the Poster Chair Nathalie Mitton (nathalie.mitton@inria.fr). The extended abstract includes all figures and references, as the names of the authors, affiliations and email addresses. Please indicate "MobiHoc 2011 Poster Submission" as the subject of the email. All submissions will be acknowledged.

Poster paper will be published in MobiHoc proceedings.
