Supporter Opportunities

The **16th ACM International Conference on Mobile Systems, Applications, and Services** (MobiSys 2018) is the premier conference for the design, implementation, usage, and evaluation of mobile computing and wireless systems, applications, and services. This conference is sponsored by ACM SIGMOBILE and builds on the success of the previous fifteen MobiSys conferences. We host ACM MobiSys 2018 in Munich, Germany, with Technical University of Munich (TUM) as the local hosting institution.

Become a **MobiSys 2018 supporter** and your organization can reach a highly qualified technical audience of academics, industrial researchers, engineers, and students. By supporting MobiSys, you are able to increase visibility and product awareness among the people who are the most knowledgeable and passionate about your products.
Please contact the MobiSys 2018 General co-Chairs, Joerg Ott and Falko Dressler (*gc-mobisys2018@in.tum.de*) to initiate your support, or for any additional information.

All supporter will receive recognition of their level of contribution in print, on the web, in registration brochures, in the conference program, and during opening and closing of the conference.
